Description of Meetings

Sales Meeting

These meetings will focus on product training, competitive information and selling skills.

Intended Audience: Sales Force

Industry Meetings

These meetings are sponsored by organizations other than Stryker Spine. Sales Representatives may register to attend these meetings, however, surgeons must register on their own and pay all of their own expenses with no assistance from Stryker Spine.

Intended Audience: Surgeons/Sales Representatives

Surgeon Training

These meetings are Non-CME meetings. Each meeting will focus on education and training of the surgeon regarding specific topics, followed by bioskills. These meetings may also offer cadaver sessions.

Intended Audience: Surgeons/Allied Health/Sales Representatives

VIP Programs

To schedule a VIP visit refer to the Spine Intranet site for details.

Intended Audience: Surgeons/Allied Health

Other

A surgeon must always rely on his or her own professional clinical judgment when deciding whether to use a particular product when treating a particular patient. Stryker does not dispense medical advice and recommends that surgeons be trained in the use of any particular product before using it in surgery.

The information presented is intended to demonstrate the breadth of Stryker product offerings. A surgeon must always refer to the package insert, product label and/or instructions for use before using any Stryker product. Products may not be available in all markets because product availability is subject to the regulatory and/or medical practices in individual markets. Please contact your Stryker representative if you have questions about the availability of Stryker products in your area.
